

Cary Teen Council: New Member Registration

Opens August 12, 2026 at 9 a.m.

Tips to be ready for registration day:

- **Check that your Residency Status is correct on your household BEFORE August 12.** You can view your Residency Status by clicking on Household Account Management, then on **Household and Member Update** screen. You cannot adjust this field and should email recreation.support@carync.gov to update it.
- **Add all teen members** to your account if you plan to register them. Parents must register their teen through their account. Teens cannot register themselves.
- **All activities have an Age Requirement.** When reviewing your residency status, please also confirm that all household members have the correct dates of birth listed. Birthdates may be required for the activities you wish to register for, and you may not be able to register if the birthdates are incorrect.
- **Add Activities to your Wishlist** before Registration Day for quick access and adding to the cart!
- **Free Activities and Waitlist registration** do require you to complete the checkout process!
- The **Virtual Waiting Room** may indicate the website has high user volume and will hold your place in line.
- **Check out the [FAQ's](#)** for any other questions you may have.

Note: Due to the high interest in our program, all available spots and the waitlist fill quickly. Our registration will fill quickly the morning of August 18 so in order to claim your teens spot please be proactive. Our registration process runs on a first come, first served basis.

Only Cary Residents who are going into the 8-10 grades for the 2026-2027 school year may register for Cary Teen Council.
